Trial for Wedding day	\$50	\$55
<p>If wanting makeup for a wedding, we do recommend that you come in for a trial session in order to ensure we achieve the creation you desire. When having wedding make up it is essential for us to discuss with you your colour theme, the look (formal, informal), the time of day the wedding is being held (morning, mid-day, evening), the type of photography (in-door pictures, outdoor settings, colour or black and white) and your hair style. All these aspects will affect the final make up choice</p>
